

Hopmog Review Subscription 2023

Renewals for Hopmog Review are now due. We have our own Centre Constitution and copies are available on our website. There is no Centre Membership Fee as such, this is part of your Club Membership. However we get no financial support from the MSCC so there is a small annual subscription charge for our magazine to cover our running expenses which is £11.00 to cover printing and postage of *Hopmog Review* or £3 if you elect to receive it by email, subscribers also receive our monthly centre secretary update and are given voting rights at our AGM. Subscribers will also receive priority if an event is oversubscribed. If a surplus arises it will go towards the running of the centre.

Subscriptions for the coming year January to December 2023 are £3.00 should you wish to receive the newsletter via email, or £11.00 to receive it by post.
